

Georgia Bureau of Investigation

Georgia Law Enforcement Criminal Intelligence Analysis Certification Program

Board Approved Courses

The required training courses for both certification levels are listed in large bold type. The listed and numbered training providers or vendors under each course are the current approved **options** for satisfying the course requirement. The applicant must only take one of the course options to satisfy the training requirement.

Microsoft Office, including the following three (3) courses:

Basic Access, Basic Excel, Basic PowerPoint

1. Shadow Training and Consulting: Specializing in Microsoft Training for Law Enforcement. Contact: shadowtraining1@gmail.com.
2. Police Technical: Specialized courses designed specifically for Georgia's certification program. **Important Note: Police Technical has the MS Office courses in their general training catalog, but the training for Georgia Certification includes extended courses (3 days), and includes a written and/or practical final exam. These courses are specifically sponsored by the GBI or another hosting Georgia law enforcement agency.**
